NOTE: Download all your support materials and tools in one place

1. Go to: **http://www.digital-watchdog.com/resources**
2. Search your product by entering the part number in the **'Search by Product'** search bar. Results for applicable part numbers will populate automatically based on the part number you enter.
3. Click **'Search'**. All supported materials, including manuals and quick start guide (QSGs) will appear in the results.
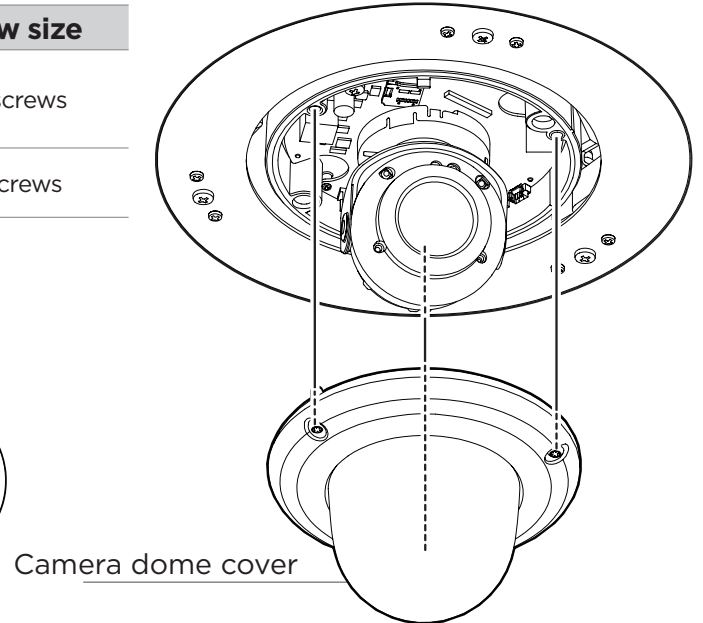

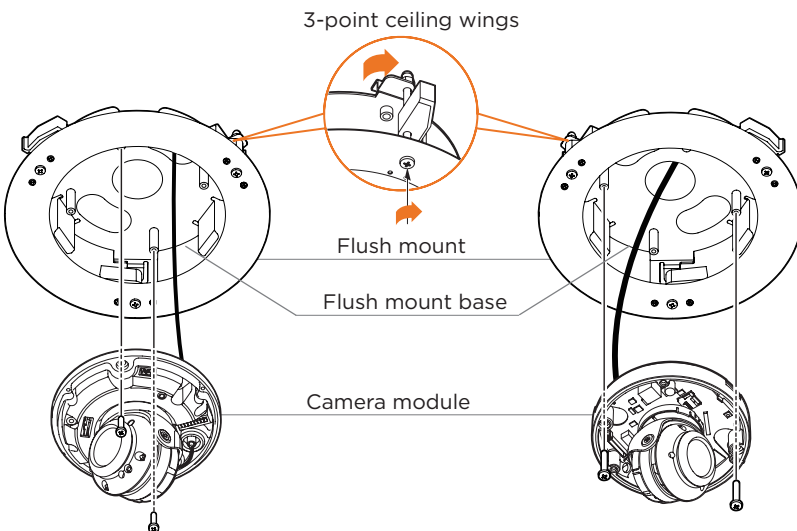

Quick Start Guide

INSTALLATION

❶ Before the installation, remove the magnetic cover from the flush mount.

❷ Using the mounting template mark and drill the necessary holes in the mounting surface.

❸ Adjust the 3-point in-ceiling wing using a screwdriver. Twist the screws to tighten and expand until the flush mount is secured to the mounting surface.

❹ To mount the camera to the mounting accessory, remove the dome from the camera base using the wrench included

NOTE: Do not touch the lenses when handling the camera modules.

❺ Pass wires through the flush mount base and make all necessary connections.

❻ Secure the camera to the flush mount using the appropriate mounting screws. Refer to the table below:

Camera part number	Mounting screw size
DWC-MV82DiVT DWC-MV82WiATW, DWC-MPV82WiATW DWC-MV85WiATW, DWC-MPV85WiATW	25mm mounting screws
DWC-MVC8WiATW, DWC-MPVC8WiATW DWC-MVC8Wi28TW, DWC-MPVC8Wi28TW	16mm mounting screws
